

INTRODUCTION

Summer is here and the 'Summer4kidz' team returns to offer another amazing summer school. This summer we play together again at 'Summer4Kidz 8'! With the most equipped staff full of energy and love for the little kids we organized the most exciting summer school program starting on the 29th of June until the 7th of August and from 17th of August until the 4th of September. Games, entertainment, alternative educational programs, sports, use of the swimming pool, day trips and many surprises await our little friends for a safe and creative summer.

'Summer4Kidz 8' uses the premises of Play4Kidz, with an experienced and specialized staff that has been chosen especially for the activities of our summer school. Kids aged between 3-12 years old can participate in 'Summer4Kidz 8' for any period between 2 and 9 weeks. The minimum space required for participation is **two consecutive weeks**.

The 'Summer4kidz 8' package we offer includes:

- Creative activities for children
- Small groups
- Trained and experienced staff
- Breakfast and lunch
- Unlimited refreshments
- Use of the swimming pool, play area and Play4kidz services
- T-shirt with the 'Summer4kidz 8' logo

The program is tailored to the characteristics, potential, age and preferences of the children in each group, after consultation with the group leader. The cooking and pastry lessons take place at the professional kitchen of Play4kidz's and include the preparation of ordinary foods and sweets. Additionally, children are trained on proper nutrition, proper use of the kitchen and domestic appliances, as well as compliance with standards of cleanliness and hygiene.

Three excursions are organized over the 9-week-period.

Visiting professionals, who have something special to offer to the children, will occasionally enrich our program.

For any additional activities, parents are informed in ample time and the schedule is being adapted accordingly.

Regarding Covid-19, since this summer all the information, rules and protocols are constantly changing, any new requirements announced by the Health Ministry will be adapted in our program and schedule. Be ensured that this will apply in all aspects of our Summer School. Weekly programs will be revised every week and all parents will be informed accordingly.

NUTRITION

The children are offered breakfast, lunch and dessert or fruit for energy on a daily basis, and unlimited refreshments for hydration throughout the day. Daily meals are created by our chefs and rotate every week to provide energy and variety of flavors and nutrients, so that the kids can eat balanced meals, but also enjoy their food.

At the time of breakfast and lunch, children are asked to follow certain sets of rules for cleanliness, so that eating is approached in a versatile manner.
